HOW TO PLAY

Uglydolls like to have fun. When Babo, OX, Wage, Ice-Bat, and all the rest aren't busy working, they love playing the fast-paced matching game: Loonacy. This is a rapid-fire game where players race to be the first to empty their hand of 7 cards by matching one of two images with the images on the open piles in front of them. Speed of the hand and luck of the draw determine the winner in this frenzied free-for-all! Remember: always be ugly!

- Rules are easy enough to learn in a single sentence
- Awesomely addictive game play - you can't play just one game
- Fast-paced gameplay ensures the most excitement (and laughs) possible
- Will quickly become everyone's favorite game (even non-gamers!)
