

HOW TO PLAY

Fluxx is a game about change. It begins very simply, with a couple of core rules, and gradually becomes more complex as cards are played that change the rules. Even how you win will be constantly shifting, so you're never sure who will win until someone does. With the perfect blend of luck and strategy, every game is different!

ABOUT THE GAME

You probably already know who lives in a pineapple under the sea, but now you can join the whole Bikini Bottom gang in an undersea version of Fluxx! You can steal Mr. Krab's Money or Squidward's Clarinet, give a Krabby Patty to Plankton — you could even drive off in the Invisible Boatmobile! So, if nautical nonsense be something you wish, you don't have to use your imaaaagination, just play Fluxx like a fish!
