HOW TO PLAY

It all begins with one basic rule: Draw one card, play one card. But as cards are drawn and played from the deck, the rules of the game change. Soon it may be Draw 3, Play All, and the Goal is "Hair of the Dog." So toast the Designated Driver, but avoid the Forbidden Word and don't forget to pass the card or you'll have to drink!

- Drinking Fluxx is a great game for groups of adults while drinking their favorite beverages
- Plastic cards make sure spills won't hamper gameplay
- Fluxx is an evergreen title with almost 3 million units sold
- Drinking Fluxx never plays the same way twice
