

FANTASY FLUXX

HOW TO PLAY

Fluxx is a game about change. It begins very simply, with a couple of core rules, and gradually becomes more complex as cards are played that change the rules. Even how you win will be constantly shifting, so you're never sure who will win until someone does. With the perfect blend of luck and strategy, every game is different!

ABOUT THE GAME

Gather your friends for a party – an adventuring party, that is! Set off on a classic quest with your faithful companions: the Helpful Elf, the Dwarven Warrior, the Gallant Swordsman, and, of course, the Wise Old Wizard. Learn from the Cranky Magic Teacher how to use your Wand to cast spells like Invisibility or Fireball! You may need them as you encounter the Dreaded Pirate, or when you find out that the Captured Princess is actually the Mother of Dragons! Will you and your fantasy favorites survive the Final Showdown with the Dark Lord? Find out when you play Fantasy Fluxx!

- Spoofs several fantasy favorites, including Lord of the Rings, Dungeons and Dragons, Harry Potter, Princess Bride, Game of Thrones, and more!
- This is the second such spoofing version of Fluxx. The first, Star Fluxx, was released in 2011 and continues to be one of our best sellers.
- Filled with the kind of adventure you would expect in a fantasy game, and the kind of humor game designer Andrew Looney is known for.
- There are many versions of Fluxx, which has been in continuous print for over 20 years and has sold over 4 million copies.
