FLUXXES FOR EVERY FANDOM!

LOTS OF LOONACY!

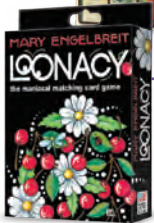

Loonacy

This original version has pictures from all the classic Fluxx games. Pizza, milk and cookies, a purple car, a pyramid, a cat, a toaster. It's a sure-fire winner for all the Looney Labs fans out there.

Retro Loonacy

This edition's throwback graphics may be old-timey, but the thrilling, warp-speed play of this game is anything but last year's news.

Mary Engelbreit Loonacy

This adorably charming and family-friendly version of Loonacy showcases the artwork of renowned illustrator Mary Engelbreit.

Custom Loonacy

You can create your own custom deck of Loonacy cards for just \$10 at customloonacy.com. They're great for personalized gifts! Ask us about our pricing if you're interested in buying an entire short run of 1,000 games for corporate gifts or marketing options for small businesses.

TIME TRAVEL GAMES

Time Breaker

In this exciting chase across time, the goal is to apprehend a notorious chronocriminal, the Time Breaker, in order to get a coveted promotion at the Time Repair Agency.

Star Trek Chrono-Trek

Explore galactic (and alternate) history of the *Star Trek* universe when you take on the identity of one of your favorite characters.

Chrononauts

Chrononauts is a many-layered time travel game that enables players to alter historic realities in the 20th century and collect artifacts from the past or the future. It can be played solo or with up to five others!

Early-American Chrononauts

Time travel moves into another century! It's got everything you love about the original game, but now in the 1800's. Combine with Chrononauts for a multi-century experience called ÜberChrononauts!

LOONEY PYRAMIDS

Pyramid Arcade

90 pyramids, complete rulebook and everything else needed for 22 completely different and abstract strategy games. It's endless fun, and a complete game library in a single box!

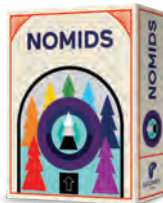

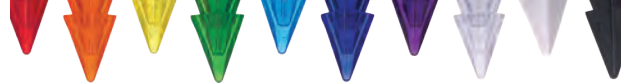

Zendo

A Mensa award winning game of inductive logic where players observe patterns and test their hypotheses to discover the secret rule!

Pink Hijinks

A roll of the die determines which piece(s) to move while attempting to fill your row with three of the same-sized pyramids. This game for two only takes 15 minutes, and features a new color... pink!

Nomids

An introductory game with a simple goal. Everyone starts with 3 pyramids. The first player to get rid of them all – to have no 'mids – is the winner!

Ice Duo

A pair of very different two-player games; a press-your-luck style dice game, and a secret goal strategy game!

Martian Chess

An out-of-this-world game in which color has no meaning and position is everything! It also adds a brand-new pyramid color, Martian Red!

Homeworlds

Homeworlds is a deep abstract strategy game of perfect information, resource management, and galactic war. Can you destroy your opponent's Homeworld before their space fleet reaches yours?

FAMILY AND PARTY

GAMES FOR ALL AGES!

Get the MacGuffin

Players make clever use of a limited hand of cards, ranging from ridiculously powerful to just ridiculous. A calculated risk might get you the coveted MacGuffin, but can you hold onto it until the end?

Choose One

It's the moment of truth; do you know what your friends are thinking? Correctly predict how your opponents will answer questions and advance your token to the finish line!

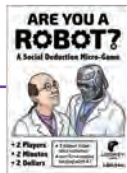

Just Desserts

With a kitchen and delicious deck chock-full of mouth-watering sweets, you'll be sure to have your hands full ensuring that everyone gets their just desserts.

Are You a Robot?

Are you really a human? Find out with this two-minute social deduction game for two or three players! Combine multiple copies to play with bigger groups!

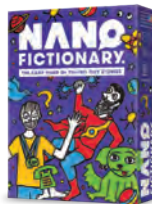

Mad Libs: The Game

Since its creation in 1958, Mad Libs® has become the world's most popular word game. Fill in the funny with this card game that captures all the unexpected silliness of the classic activity.

Nanofictionary

What's your story? Players combine character, setting, problem, and resolution cards to create a unique tale to tell.

Aquarius

Connect Earth, Water, Air, Fire, and Space domino-style! It's engaging for kids or adults of any age!

Are you looking for more... er... mature titles? Then you should check out the adult versions of your favorite Looney Labs games at fully-baked-ideas.com!

Hi there!

We're the Looneys and we're on a mission to create fun! Kristin runs our little game company and Andy designs all the games. We hope you have as much fun playing our award-winning games as we've had creating them!

Thanks for playing our games!
